### **Item 1.02 Termination of a Material Definitive Agreement.**

On February 21, 2019, Eco-Stim Energy Solutions, Inc. (the “Company”) entered into a Termination and Waiver Agreement with FT SOF VII Holdings, LLC and certain of its affiliates (collectively, “Fir Tree”), pursuant to which (i) that certain Amended & Restated Registration Rights Agreement, dated as of July 6, 2017, as amended by the First Amendment to Amended & Restated Registration Rights Agreement dated as of August 2, 2017 was terminated and (ii) that certain Registration Rights Agreement, dated as of August 2, 2017 was terminated (the “Termination Agreement”). The Termination Agreement was entered into in contemplation of the deregistration of the Company’s Common Stock with the Securities and Exchange Commission. The Company did not incur any early termination penalties in connection with the Termination Agreement.

Fir Tree is the holder of a majority of the outstanding shares of common stock of the Company and all of the outstanding shares of the Series A Convertible Preferred Stock of the Company.

### **Item 2.01 Completion of Acquisition or Disposition of Assets.**

As previously disclosed, in September 2018 the Company elected to suspend its U.S. stimulation operations and significantly reduce its U.S. workforce in alignment with potential near-term opportunities, including pump down and miscellaneous pumping services. Since then, the Company has been actively pursuing the sale of a substantial majority of the equipment, inventory and other operating assets relating to its U.S. operations.

On February 21, 2019, the Company completed the disposition of certain of its U.S. equipment to an unrelated third party in exchange for \$6.2 million of aggregate cash proceeds, before commissions and selling expenses.

The Company is continuing to pursue the sale of a substantial majority of its remaining U.S. assets. However, the market demand for the Company’s U.S. equipment and other operating assets to date has been soft, and there can be no assurance as to the ultimate consummation, timing or amount of proceeds generated from any such future asset sales. The Company intends to use the proceeds from the asset sales described above and from future sales of U.S. operating assets to reduce the Company’s outstanding liabilities and improve its liquidity. If the Company is unable to obtain a sufficient amount of proceeds from asset sales or funds from other sources, it may not be able to satisfy its working capital requirements, indebtedness and other obligations.

### **Item 3.03 Material Modification to Rights of Security Holders.**

To the extent required by Item 3.03 of Form 8-K, the information contained in Item 1.02 of this Current Report on Form 8-K is incorporated herein by reference.

### **Item 8.01 Other Events.**

On February 26, 2019, The Nasdaq Stock Market filed a Form 25 with the Securities and Exchange Commission to complete the previously disclosed delisting of the Company’s common stock. The delisting will become effective ten days after the Form 25 is filed.
